Volume 33 No 11

Well I guess we must be doing something right… last month Club's two fave girls Stella and Sandy were getting down and nasty with each other, and this month we've got the internationally babelicious Kyla Cole grappling with the love lips of none other than Britain's tastiest top-titter, Adele Stephens. Talk about a match made in heaven! These two were all over each other like a couple of (exotically named) FA employees, pawing, licking and slurping away like they hadn't tasted pussy for years. And talking about the taste of pussies, we're chuffed to be welcoming back the owner of one of the sweetest snatches these isles have ever produced – the lush Natasha. Why you can almost taste it just from the pictures. If a quick glance at page 17 doesn't have you dribbling at the mouth – not to mention cock – in double quick time then you're a better man than I. – **The Ed.** ♣

SALLY BARMY

Top marks for another superb issue of your mag. Only just finished 'reading' 33.10 and couldn't agree with you more regarding Sally. I've always preferred dark haired girls and when I copped a load of her I was driven to distraction. Or should that be despair? She looks stunning and her body is beyond words. Give me one night in a hotel room with her and I would die a happy man. If that's not possible, just show us more pictures of her in the future!

Chris, Harrow

We tried to arrange the one night in a hotel room for you Chris, but they're all full for the foreseeable future. We'll see what we can do about more photos...

THE VEGGIE OPTION

I've been a fan of your excellent publication for ages. What's even better is that my latest girlfriend Kelly has become a fan.

Every time I pick up the latest copy from my local newsagents I can't wait to get it home for us to look through together. Kelly likes to guess which girl I fancy most in each issue and she's rarely wrong. For your information it was Lisa that I'd most like to fuck from the last issue (33.10). Kelly said she didn't blame me.

Another benefit of having a bird that enjoys porn just as much as me is that she's not shocked by much and thanks to your superb Peaches section she's a definite lover of anal these days.

A few weeks ago when we were just lazing about in front of the TV, Kelly asked me if I'd like to shag her up the arse. It wasn't the sort of offer I could refuse. However, she said I could only fuck her up the bum on one condition – I was to pleasure her with a cucumber first.

This didn't bother me at all. In fact I quite liked the idea so went straight to the veg compartment in the fridge and selected the largest cucumber I could find.

When I returned to the lounge Kelly had already whipped her clothes off and was waiting eagerly on the sofa with her lovely arse raised high in the air. When she saw the size of the cucumber I had chosen she gulped and followed it with a nervous giggle.

"Are you ready?" I asked as I circled her fleshy bum cheeks with the tip of the vegetable.

"I think so," was her timid reply.

Realising it might cause Kelly some initial discomfort I licked the sides of the cucumber before lining it up with her dainty brown hole. Then very slowly I began to edge it in.

"Oooooohhh!" Kelly cried as the tip went in. This was followed by a series of more agonising moans as the widest part of the cucumber stretched her back passage to the limit.

"Oh my," she whimpered when the veg was about half way in. I was being careful not to push too hard but when I was confident that Kelly was comfortable with it in her bum I gave the last few inches a good shove.

"Ouch!" Kelly said as her anal passage was filled with the veg. I teased it back and forth and she whimpered accordingly.

While I continued to slide the cucumber in and out of her backside, Kelly took to playing with her pussy. With both holes being pleasured she soon got herself into a right state and the juices started flowing.

Seeing my girlfriend get like this got me stiff and I couldn't hold out much longer. I whipped out my cock and planted it straight into her moist snatch, while keeping the cucumber wedged in her bum.

Kelly went crazy as I banged away at her pussy and she even reached back to take control of the cucumber. I thought she might have wanted to pull it out but to my surprise she drove it deeper into her rear.

When I felt myself getting close to shooting my load I grabbed the cucumber back, removed it from Kelly's arse and then very quickly transferred my rigid prick from pink to brown in one swift action.

"Fuck me hard!" Kelly screamed. So I obliged and thrust myself deep into her arse. Despite my earlier efforts with the cucumber her back passage was still quite tight so the pressure on my dick was intense. So intense that it only took a few more minutes of pumping away at her behind until I felt the orgasmic sensation sweep through my body and promptly deposited several teaspoon's worth of white muck in her behind.

Both knackered, we slumped on the sofa in each other's arms. Kelly later told me that had been one of the best fucks she'd ever had in her life so as you can imagine, we always make sure our fridge is

well stocked with fresh produce just in case she gets the urge for some more filthy bum sex!

HELP THE AGED

You guys deserve a pat on the back for always putting together a fantastic mag every month! What welcome relief it provides after a heavy day at work. I have sampled many of your sister mags but have definitely settled on yours.

There's something in your mag for everyone, from curvaceous graceful beauties to sheer prick teasing sirens. There is just one comment though that I feel I ought to make. I was wondering if you've got plans to feature more 'golden oldies' like your girl of the month way back in issue 33.2? *(Yvette, a 'Golden Oldie'? Blimey, we'd never have thought of her as that!)*

I've got nothing against fresh talent but aren't we, in an eagerness to feature new models, forgetting those women that were flashing their cunts for your camera before most of us were out of nappies *(I don't know about you, but we weren't wearing nappies 3 years ago!)*! It seems a great disservice to them to allow their mucky shots to gather dust when they could be put to much better use. So lads, what do you say to a few more blasts from the past?
Simon, Newcastle upon Tyne
Er, we're a bit speechless after that, really.

POGO'S A NO GO!

Regarding different wanking techniques; my mate Gary has got a corker of one – and it's hands free! He calls it the pogo because you basically pull your stiffy down, grip it between your legs and then bounce up and down like a pogo stick. It's a bit awkward and you usually end up with jizz down the inside of your legs, but top marks for creativity, eh?
Mike, London
It sounded good but we got an unnamed member of the Club staff to try it out and he did himself a bit of damage. Get well soon, Dave.

PLAY IT AGAIN, JAN

She can tinkle our ivories whenever she wants

PHOTOS: ROBBYE BENTLEY

They don't make them like they used to. Pianos that is. It's all samplers and synths these days. Luckily, fit girls haven't been replaced in a similar vein by automated fucking machines so we're still blessed with girls like Jana.

So Jana, do you play?

"Mmm, if you ask nicely," the blonde temptress quipped. "Only joking! I used to play when I was younger. My parents would send me for piano lessons twice a week and I hated them. Or at least I did until I turned 18."

Why the sudden interest?

"I got a new piano teacher and he made me well horny!"

Ah! We knew sex had to figure somewhere. So go on then, what sort of things did you get up to with him?

"Everything! The minute we were alone we were tearing each other's clothes off and I was sprawling myself over the piano. I didn't learn many new pieces on the piano but he certainly taught me how to please a man.

"Sometimes he would sit and play the piano while I sucked him off. As I brought him closer to cumming he would start playing higher notes. I knew when I was going to get a mouth full of the white stuff. The taste of cum was quite literally music to my ears!"

Jana, do you know how horny you're making us?

"No, but if you hum it I might know it!"

Boom, fucking boom. We really should have seen that one coming. ♣

GREAT MYSTERIES OF THE WORLD

I've got a query for you. I'm an avid reader of Club International and while I tend to appreciate most of the girls you feature in your magazine I always head straight for the Reader's Girlfriend section. It's quite clear that they're all amateurs and even I'll admit they're hardly a patch on the likes of Stella, Michelle Wild and co. But saying that, they're still absolute babes and Terri, who you featured in the last issue, was fucking gorgeous. I'm guessing the cowboy hat she was wearing was intentional, it certainly made me wish she was riding me. The thing I really want to know is where do the blokes that send in these pictures of their girlfriends meet such girls? And if they've got such beautiful girlfriends what the hell are they doing buying your magazine?

Steven, Selsby

We've often wondered the same things, and even we're none the wiser. But as long as the blokes keep sending in the pictures of their girlfriends and more people keep buying Club, we're not complaining.

FUR & AGAINST PT.1

You recently asked readers to register their preferences in the 'down there' hair question so I would like to take the opportunity to vote against pubes.

I believe that a woman's body looks far more sleek, feminine and attractive without an unkempt thicket. If one is lucky enough to benefit personally then the unhindered access and improved hygiene are obvious benefits but even when it's only viewing from afar, on paper or screen, this particular form of baldness is far more aesthetically pleasing.

I can understand that big bush fans feel that they are being hard done by but, as a mature reader of twenty-five years standing, I feel that it is only fair that the pendulum has now swung this way. For many years the vast majority of beavers were luxuriant and it was only once or twice a year that a model was featured who was either naturally sparse or who had made an effort. The issue in which Linzi Drew finally shed her curls is one of your all-time highlights.

I really don't know whether the current preference for 'going without' is down to you, your photographers or the girls themselves but I am just going to enjoy it for as long as it lasts. I am sure that the tide will eventually turn (I notice that already there is a much higher ratio of Brazilians to Hollywoods than there was a cou-

TWO GOOD TO BE TRUE

I'm not usually the type to write bum licky letters to magazine editors but I had to express my gratitude to you for the last issue of Club. In particular, the pairing of Stella and Sandy. Anyway, I won't bore you with my brown tongue babble because I'm sure we've all got better things to do. I know I have. I'm going to have another wank over them two! Keep up the excellent work.

Craig, Preston

We thought some of you might like last month's Sandy and Stella spread – we certainly did! It's also nice to know all our hard work is appreciated. But seriously, don't thank us, thank the lovely girls!

RIGHT ON, VRON

At last, a girl that actually speaks the truth! I am, of course, referring to Vron, who was featured in the last issue of Club.

As a female reader and a keen fan of sex I have to agree with her on the notion that it doesn't really matter what the man looks like – it's what he's capable of in the bedroom that really matters. I much prefer someone who can dazzle me with a bit of originality over an unimaginative looker.

Saying that, I have to admit I'm slightly overweight by a few seat sizes and I guess I'm probably not supermodel material, so maybe I should just be greateful with any dick I get, regardless of what the other end looks like.

Georgina, Dorset

ple of years ago) but I would advocate delaying this unwelcome return for as long as possible.

As far as the usual criticisms are concerned; i) I know it's not 'natural' but so is depletion of legs and underarms but very few would like to see that stopped, ii) it doesn't make me a borderline paedophile – I like smooth women not little girls! iii) it does take a lot of effort but so does a well tended garden which is much nicer to stroll through or look over at than some neglected and overgrown weed patch, iv) it's not a new fad – women (and men) have been intimately grooming themselves in many cultures throughout history.

Have the occasional hairy model for the sake of fairness but please keep the great majority with the minimum of (preferably no) pubes for as long as possible. You like to feature the best looking women so please allow them to look the best they possibly can – smooth and sublime.
Jeff, Luton

FUR & AGAINST PT.2

Regarding the letters page debating the merits of lady bush/shaven haven, I believe I probably share the opinion of every man under 50, who prefers a neatly trimmed bush or completely shaven muff. Lots of bush is so last century. Stick with the Bic.
Iain, Durham ♣

CHEER UP, SON!

Come on Club, when are we going to see more girls in cheerleader uniforms? I love the set from I Dream Of Josie (Vol 32.6) when Jo and playmate Kat were in cheerleader uniforms. I was wanking so hard last time I exploded all over the page.

This is a health warning. If you suffer from high blood pressure, are prone to fainting or have a history of heart related problems - then put this magazine back on the shelf and calmly walk away. You must make no attempt to look at the contents of these few pages. We cannot be held responsible for any complications that may arise from viewing ultra babe Natasha. You see, she has a certain effect on blokes...

"I don't know what it is about me but I can't seem to go anywhere these days without causing some sort of commotion," she begins. "Like just the other day I went down to my local supermarket to get a few things in. Anyway, I'm going up and down the aisles and get about halfway round the shop when I realise there's five or six excited looking blokes constantly passing me. The thing is, none of them have anything in their trolleys, which I find really strange.

"By the time I get to the last aisle, there's even more of them including a few of the shop workers. I'm used to guys looking at me all the time but even I found it weird that there were so many of them paying me attention. Especially since I wasn't wearing any make-up and I hadn't done my hair - so I was well and truly baffled.

"Then I had a rude awakening when an announcement came over the tannoy - 'Can all male members of staff please return to their departments instead of following the dim blonde in aisle 17 who has her skirt tucked into the back of her knickers!' At that moment, the crowd suddenly dispersed and I went bright red as I realised I'd been showing off my arse even more than usual!" ♣

URBAN SURVIVAL: Animals

Life is riddled with extreme situations. Get blind-sided by the unexpected and before you know it you've bought a lucky scratch card in the National Lottery of Death. So prepare yourself for life with ex Extra-Special Forces commander JACK RYAN, a man whose experience in survival is second to none…

At ease, soldier. It may seem like a strange choice of topic for this month's survival course, but I didn't get where I am today without knowing a thing or two about the wonderful properties of animals. In fact, some of my fondest memories are of animals. But that's for another time.

I may have made mention in previous essays on how, after my father, mother, siblings, wolf-mother and pretend mother died, I was raised by a colony of rats in a drain near Kent. Well, let me tell you, a lot of bad press is thrown at my fine rodent brothers – but only by morons that have no real knowledge of the ways of vermin. Rats look out for each other, have an acute sense of the preposterous and, in a fix, make quite a tasty snack. In my early teens I ran with a gang of around 300 rats, and the older ones taught me vital skills such as gnawing, how to eat like a king from a bin full of tramp sick, and how to spread vile diseases with a single bite – skills that I have used to get me out of scrapes many times since.

But rats aren't the only animals that a true urban commando should be knowledgeable about. There are many beasts that you should respect, learn from and, if necessary, stave the heads of in with a big rock. Look, listen and learn…

BROTHERHOOD OF THE WOLF

There's nothing as majestic as the lone wolf. Running down its prey in a dance of death so predictable you may as well just lay down. Disappearing mysteriously into the misty woods, only to be replaced by a weird Red Indian fella. Or just ripping the throat out of a Commie you've staked to the floor. Run with the big dogs…

a) THE HOWLING

If you're lucky enough to have wolves living near you – say in a zoo, or something – try to become accepted into the pack of these natural survivors. I recommend breaking into their compound at night. Naked, obviously, get on all fours and join in the inevitable wolf cries until they accept you. Best carry a fuckin' big gun, mind – just in case they don't.

b) WORSE THAN YOUR BITE

It may be useful to dress up in a wolf skin and patrol your local area at night – I know it helped me. Sharpen bamboo canes and slot them over your fingers to emulate claws and use a file to sharpen your teeth into vicious points. Practice growling and "stalking" your prey. The wolf in the night is the ultimate assassin!

c) DOGGED DETERMINATION

Remember: the wolf kills when it has to, either for food, to protect itself or the pack, and just occasionally for fun. Keep the same objectives and you too will be an invulnerable killing machine. Something to put on your application for Mark Thatcher's private army, too.

d) MAN'S BEST FRIEND

For some reason it's illegal to own an actual timber wolf in this country, but you can get round this by just buying a huge, savage German Shepherd and constantly goading it with a balloon on a stick. He'll return to his lupine ways in no time!

BEAR NECESSITIES

Unlike the wolf, the bear is a complete fuckin' mental lottery. Some bears can be trained to do your bidding, some would rather bite your face off, and some are even gay, like Gentle Ben. Here's how to get the best out your bear situation…

a) BEAR BEHIND

If, say, you're on an NRA survival holiday out in the forests of North America and a bear attacks you, the books say that you should not attempt to run or fight, but you should curl up in a ball and cover your head. I say bollocks. Give it both barrels in the face and run like fuck. What sounds more sensible?

b) DANCING BEARS

Although a bit gay, dancing bears at least display that they can be trained to do things, so logically they can be trained to fight. And even if they can't, they can put on a show while you creep up and despatch your diverted enemy.

c) YOGI BEARS

So called because they're smarter than the average bear. There is a legend that I once taught a bear to strip and reassemble an AK47 – while blindfolded. Nobody believes me, but what the fuck would they know? Cunts.

d) POLAR BEARS

Right, this lot are just fuckin' nuts. They're like the Black Watch of the bear world. Give 'em a miss. Really. They're only out for themselves and are more likely to just start chewing your head than consider working with you. Fuckin' loons.

MONKEY MAGIC

Apparently, we're genetically closer to this lot than any other animal. Well, except white mice and pigs. But our monkey brethren can be trusted allies when indulging in guerrilla tactics (see what I did there?). Go ape…

> ***"Best deployed at ground level from dense coverage, the average Orang-utan can hit 35mph in two seconds, giving it the most explosive attack of any ape."***

a) CHIMPLY THE BEST

Adorable little rogues, most chimps are actually insane cannibals. Easy to train, show me the target alive that wouldn't pick up and cuddle a crying chimp in a nappy, only to have it tear his face off seconds later! Vengeance comes monkey shaped!

b) ENTER THE MANDRILL

That's not an order, by the way. The ugliest of the monkeys by a mile, the Mandrill is nothing less than a shit-crazed baboon killing machine. Wind it up until it's going ballistic and hurl it at your mark. It won't be pretty, but it'll be effective.

c) WEB OF HORROR

Like the crafty Victorian murderer, the Spider monkey lurks silently in the darkness before sweeping down, wrapping its prehensile tail around the target's throat and throttling the life out of him, before he's even worked out what's on his head. And what's more, the little bastards enjoy it.

d) YOU'VE BEEN TANGOED

Best deployed at ground level from dense coverage, the average Orang-utan can hit 35mph in two seconds, giving it the most explosive attack of any ape. Trained properly, one of these orange beauties can burst from its hide, cover a vast expanse of open terrain, and club its target to death with its huge arms in the blink of an eye.

NATURE AT YOUR DISPOSAL

I've often found that largely crap animals can be used to serve specific purposes on missions. Take my time out in Africa, when I wasn't running guns for rebels and poachers… as I explained at the time…

a) HIGH AS AN ELEPHANT'S EYE

Useless, thundering grey bag of an animal it may be, the elephant has one great specific usage. You see, an elephant never forgets, so if he's seen the enemy laying landmines, you can ride his back and dance through the field, safe in the knowledge that he'll avoid every last one of them. And even if he doesn't – there's a fucking great pachyderm between you and the exploding mine!

b) STICK YOUR NECK OUT

Building a tree top lair? Giraffes are nature's own cranes, designed for lifting heavy timbers up high. Plus, if the enemy patrol catch sight of it carrying a log in its mouth, they'll just presume its going about its natural giraffe-like business.

c) HIPPOPOTASUB

Although I've never been near a hippo, they look like harmless enough creatures – but with great big mouths! How hard could it be to train one of these sub-aqua swimming monsters to carry you harmlessly about in its mouth, surfacing right under the enemy's nose? Think about it.

d) FASTER THAN A SPEEDING BULLET

Everyone knows that there's no way a cheetah could bear a fully grown man on its back, but think about a team of cheetahs, all tied together with a chariot attached! It'd be just like dog sledding and your enemies would just see a cloud of dust approaching… then a hail of bullets!

Hopefully you've come out of this month's lesson knowing a lot more about animals, the natural world, and how both can be exploited to ensure your continuation. There are many more furry, feathered, scaly and, erm, skinned friends (the Cornish Rex) that have earned their place in Jack Ryan survival history, but I think the above should be enough to keep you in one piece for the time being.

Just one last thing: along with serving the individual purposes I've outlined, it's important to consider the other use all these animals have in common – they're all edible. See you in the trenches! ♣

BUSTIN' LUCE!

Single and enjoy playing with yourself? It seems you're not the only one...

PHOTOS: PETER FLODQVIST

Poor old Lucy. A recent (but – in our opinion – fleeting) addition to the cruel world of singledom, she now has to resort to a bit of self-pleasure whenever she's feeling certain urges in her lower regions. Not that it stopped her when she was happily sexed-up in her last relationship.

"My ex-boyfriend used to love watching me masturbate," the slender brunette beauty admitted to us. "It all started when he bought me a vibrator as a Valentine's day present. At the time I would have preferred a nice meal and maybe a shag afterwards, I didn't need a sex toy. At least that's what I thought, until I started using it in his presence."

Yes, it's amazing what joy the sight of a girl shoving a dildo deep into her pussy can bring to a man. Especially if the girl is anywhere near as fit as you are Lucy.

"That's exactly what my ex used to say. He said he loved to watch me bring myself off with the vibrator and he would happily sit there without attempting to intervene. But after I'd had my first orgasm – which didn't take too long once I'd mastered my technique – that would be his cue to join in. From there he'd take control of the dildo, usually trying to stick it in my pussy while feeding his prick up there at the same time.

"As you can probably expect, having two things being rammed up me at once drove me absolutely wild and I'd cum so much the dildo would be coated with a thick layer of my juices when it was eventually pulled out. Being such a dirty cow I used to love taking it in my mouth and licking it clean for my boyfriend to see. That used to turn him on so much he would then fuck me as hard as he possibly could while reminding me that I was a 'fucking filthy bitch who couldn't live without his cock'. I guess he was right about that to a certain extent. It's a shame he went and left me."

A shame for him, of course. At least you got to keep the dildo. ♣

Merely a random sprinkling of recent cases, which nonetheless bear dramatic witness to the terrifying upswing in death-by-sexually-motivated-stupidity incidents which are fast depopulating North America…

NEW YORK

A 21-year-old, who hoped to be a racing driver one day, ended his intended racing career before it got started when he leaned out of a moving bus to proposition a hooker… only to have a fast-approaching telephone pole relieve him of his head.

FLORIDA

A 40-year-old assistant manager at a Miami strip club was crushed to death between a nude dancer with enormous tits and the ceiling after a drunken attempt to shag the equally squiffy 23-year-old after closing time atop the club's piano. The piano was on a hydraulic lift system used in the opening of another dancer's routine. The slapper's life was saved because her gigantic norks and the assistant manager's pulped body combined to provide a soft buffer a few inches thick between her face and the ceiling.

MINNESOTA

A 37-year-old woman thought it would be a novel and fun idea to surprise her beloved boyfriend by arriving at his house in the middle of the night wearing only her nightgown. Incomprehensibly, she decided to walk – barefoot – rather than to take her car, despite the fact that it was the middle of winter. Her frozen body was discovered in the morning after the overnight temperature had dipped to minus 23 degrees.

WYOMING

A 40-year-old American airline pilot and army veteran who enjoyed chaining himself by the neck to the rear bumper of his Volkswagen Beetle in a secluded area and running naked behind the vehicle with the automatic transmission in low gear and the steering wheel tied so the car moved in continuous circles found himself unexpectedly dragged off to Hades after the chain became wrapped around the vehicle's rear axle, sucking him underneath the car and subsequently choking the moronic fucker to death.

Meantime a 77-year-old widower had a heart attack in the course of pleasuring knob and arsehole simultaneously using a hair dryer and a vacuum cleaner hose.

LONDON, ENGLAND (an American on holiday…)

A 30-year-old New York male, newly arrived at an English hotel, checked out with a fatal bang after coiling one end of a necklace round his knob and poking a connective wire into a three-pin wall after stupidly taking it for granted that our electrical current would be 110 volts too.

THE PICTURES THE THIRD REICH STILL DON'T WANT YOU TO SEE!

THE HITLER SILL BOYS…

Another shocking piccie from our occasional series laying bare the saucy secrets of the National Socialists. New international bestseller THE HITLER SILL BOYS by historian Fanny Alexander supplies shocking new evidence to support her contention that the Fuhrer was a dangerous Nazi nonce who kept small boys in his third-storey Berlin apartment during the late 1930s – hiding them outside on the window ledge when party officials came to call. This candid 1938 snap taken by British Intelligence only two days prior to the Munich conference shows Hitler letting the boys in again after Goebbels and Himmler had gone to the pub.

New Wabe PUN-TIT!

Topless models don't just know about being topless and modelling – oh no! As any reader of the national press will be well aware, they're qualified to comment on just about any facet of public life, from celebrity gossip to the latest health scare. With that in mind, The Wabe reckoned it was high time we gave the opportunity to a big-boobed bird to get it all off her chest...

Toni of Peterborough, 19, on The Suez Crisis (1956)

Well I really hate it when everyone assumes the whole incident was just a misjudged flexing of Britian's post-colonial muscle. I mean, what about President Nasser's ever closer ties with the Soviet Union and its satellite, Czechoslovakia? Why shouldn't the West's promised financing of the Aswan Damn project be withdrawn given that one of the chief beneficiaries looked like being their biggest Cold War enemy? Honestly! Then again, the invasion wasn't really handled that well, and – as we all know – the whole thing cost Eden the Premiership. Can't see Arsenal making the same mistake. All in all, I'd say it was six of one and half-a-dozen of the other.

PORN INTERVIEWS

EXCLUSIVE! LET'S TALK SPUNK

Croatian mag BILJ quizzes Welsh porn mega-starlet MYFANWY STAMP

In another New Wabe Porn exclusive we pridelessly present a rare and recent interview with 21-year-old Welsh porn starlet **MYFANWY STAMP** conducted by popular Croatian magazine BILJ. The questions were posed in Serbo-Croat by Hungarian female BILJ journalist **VASILENE KAUKJIZ** and translated into Serbo-Croat for Croatian publication. Here it is, translated from the published BILJ feature for the enjoyment and edification of Myfanwy's legions of British admirers…

BILJ: Alas! Such terrifying weathers for your visitation. Our country apologises.
MYFANWY: No difficulties. I am gladdened to be present in this state.

BILJ: BILJ welcomes you out of the juice into its warm comforting orifices.
MYFANWY: Thanks be to you. I am dripping fluids.

BILJ: Where within the world did you beget a name such as "Myfanwy Stamp"?
MYFANWY: One night I was discussing naming with a fiend and I suddenly experienced a mental disturbance. This name just spewed out.

BILJ: Are you a very old woman?
MYFANWY: Negative. I will be 21 years older this time next week.

BILJ: And you are as tall as a building?
MYFANWY: (with great laughings) Not quiet. Without jumping, I am merely 5 yards 6 cm.

> **"I flapped to Los Angles to meet a porn mongol. It was a casting sofa type of deal. I fell to my knees and tasted his equipment. The rest is a chronology of the past!"**

BILJ: You have a chest. This is natural?
MYFANWY: It is. I made it myself. The parts are constructed from ordinary tit.

BILJ: Have you been perforated?
MYFANWY: Affirmative. I have a hook through my belly. So far that is the sole extent to which I have been maimed.

BILJ: Enough! These basic response are sufficient in the short term. It is friendly to be speaking thus, but imperative to gravitate towards the eventual solution of additional queries...
MYFANWY: Explode away.

BILJ: Your vagina have taken many pizzles hostage. But your anus has plainly made a worldwide splash T-junction did you first decide you wished to take it up the donkey.
MYFANWY: When I began to age… One night my ex-boyfriend Morgan slid his Richard into the inappropriate tunnel and I loved the strange new situation.

BILJ: How are you first getting into pornographics?
MYFANWY: When I was 15, I was part of a scientific experiment at the Millennium Domes. This event involved the Emperor of China in such a way that he could not be present. At 18 I entered a dance competition at the Scottish Parliament. Fortune grinned and I begot second place out of 200 girls, all of whom were me and one other teen. This was be a stepping stove into the United State adult arraignment industry.
I flapped to Los Angles to meet a porn mongol. It was a casting sofa type of deal. I fell to my knees and tasted his equipment. The rest is a chronology of the past! But at firsts all I know about America is from my favourite movie, Forrest Gimp.

BILJ: You made Diabolic films?
MYFANWY: Many. Microscopic Chickens And Monumental Flesh Pillars, Toe Consumption Fetish Vol.6, Inside The Fur-Lined Vestibule, Germolene Cock, This Man Ejaculating - Call A Cop, Piss-Persons On Fire, and Lobotomised Female Bar Tenders Of The United Kingdom Vol.3 in which I shot Amazing Omar.

BILJ: From where I am sited, I can view the fact that you are not a consumer of panties from stores.
MYFANWY: Nope. (It raises its skirt.) I never consume underwear. I consume brasseries on special occlusions, but never panties.

BILJ: Why in the land not?!
MYFANWY: I hate them, they prevent me from being immediatedly punctured. Without panties you could sit on my laptop right now and copulate invisibly. I adore the taste of this idea.

BILJ: I understand you recently erected a shite on the World Wide Web?
MYFANWY: Yes, but the webmaster stole my domain name and used it on himself. I am sewing him.

BILJ: Before we get rid of you, is there any secret more thing you must add to our listeners of eagerness?
MYFANWY: I have a big pair of rocks and my corpse will be biodegradable. ♣

Fancy a Pearce of Lynsey?

Cool it baby!

Oh, hello ladies!

BOOBS, CUBES & PUBES!

More glamour-tastic babes getting their tits out at a party? Surely not!

Another month, another gathering of cracking babes in a swanky London nightspot. Such is life for the Club International mob. I tell you, it's just one big party round here.

This time the Red Cube Bar in London's Leicester Square played host to the proceedings, and in true glamour bash fashion the succulent lady-flesh was quickly out in force. And who, pray tell, was leading the undressing antics? Why none other than Club fave Louise Glover, who seemed more than happy to be showing off her brand new norks.

And with a few bevvies down her, the beautiful brunette babe – who's no stranger to a bit of Blue – was up to no good at all. Well, it's no good if you're adverse to the odd bout of lesbian lust, other wise it was all good. Orally exchanging an ice cube with fellow glamour puss Lisa Shepley was just Louise's excuse to savour some Sapphic satisfaction and our excuse to stay a bit longer when the free bar dried up.

The reward for sticking around was an ensuing parade of bums and breasts – the property of Claire Embleton, Fifi, DJ Sassy, Lynsey Pearce and a whole host of other fit young dick teasers. Add the presence of Jordan's sparring partner Jodie Marsh (sporting her very own furry dice) and the as tasty as ever Tara King and once again we had landed feet first in babe heaven.

Unfortunately, we once again left empty handed. Well, unless you count our cocks, that is. ♣

BLAME IT ON THE BOOGIE

What's your name? What you on? "My name's Martha and I'm on heat..."

PHOTOS: KEVIN MAKLIN

After her family, her friends and her pets, horny degree student Martha loves nothing more than a spot of clubbing. She's a regular fixture on the podiums of Ibiza's coolest nightspots and if you've attended any music festivals this summer you might have noticed the gorgeous blonde strutting her sexy stuff to all the bangin' anthems.

"Do you know what I like most about clubbing?" Martha asked us, then went on to answer in the same excited breath… "It's the fact that I can find myself in the middle of a heaving dancefloor surrounded by so many men. When you watch a guy dance it gives you a good idea of what he's probably going to be like in bed. I'll see who turns me on the most and then make my move!"

And how exactly do you go about doing that, young lady?

"First of all I'll move over to where he's dancing and start making sure he notices me by lifting my skirt slightly or pushing my tits out. If that doesn't work I'll start dancing really close to him, occasionally brushing against his leg. The brushing soon turns to grinding and the grinding soon turns to... well, you know."

You mean you'll fuck him there and then on the dancefloor?

"It depends. If it's dark enough and we can get away with it without being noticed then yeah, I'll let him slip it up me right there. You can't beat shagging to a bangin' tune. Otherwise I suggest we go back to his place and that's when I really find out if his moves in the bedroom are anything like his moves on the dancefloor. I'll usually fuck him until way past when the sun has come up."

So there you go. If you're far too old for all that loud music malarkey and jumping about waving your hands aimlessly in a smoke filled room, at least you can now appreciate Martha's delights in the comfort of your own gaff. ♣

CHRYS, IT'S BIG!

OVER HERE & OVER-SIZED, THE YANKS ARE UP TO THEIR OLD TRICKS AGAIN

America may be the land of the free, but it's also the bastion of big. Everything on the other side of the Atlantic has weighty proportions. The cities are bigger, the burgers are bigger, the sporting events are bigger.

America's supersize fixation has even filtered down to the people, many of whom are big, fat, lard-arses living in big, fat, trashy trailer parks who seem to spend all day reclining on their big leather chairs watching other big, fat-assed trailer trash scum argue with each other on their big-screen TV.

But does bigger necessarily mean better? Ronald McDonald may think so, but there are a few dissenting voices who don't agree wholeheartedly.

"WHAT'S THE POINT OF BUYING AN ENORMOUS YANK TANK IF YOU CAN'T ACT LIKE AN AMERICAN DRIVER AND DRINK AWAY THE LAST OF THE EARTH'S FOSSIL FUELS?"

Big is certainly the order of the day for cars produced in the States. Huge pick-ups and big, gas-guzzling SUVs go down a storm, but when they've been exported into other markets, the models have often proven to be about as popular as a George W Bush convention in Najaf.

To explain why, here are three simple words: Chrysler PT Cruiser. Granted, it's no vast V8 RV, but it says lots about the lack of genuine understanding company bosses in the States have about foreign markets. This car is utter shit, and the idiots who've gone out and bought one in this country should be lined up and flogged – if you want retro cool, how about some corporal punishment?

Unfortunately, Chrysler hasn't got the message, despite pretty slow sales of its hideous take on an MPV – because the firm's next big thing over there is already on its way here.

OK, so the 300C doesn't try to trade quite so heavily on the American pie bollocks of its smaller brother in the range, but big certainly isn't beautiful for this newcomer. The four-door luxury saloon not only fell out of the ugly tree and hit every branch on the way down, it was also beaten with ugly sticks by a large gang of facially disfigured street urchins when it was lying on the ground in a pool of its own vomit. The boxy lines are straight from a US freeway, and for a car that has its sights set on the grace and elegance of models from Mercedes and BMW, that will never do. Not only does the 300C have all the aerodynamic talent of a brick wall, its enormous grille is certain to cause mayhem when a rat-arsed business exec takes the wheel and inevitably ploughs into a bus queue.

One of the few redeeming features of wank American cars over the years has been the engines. No matter how much you cry about what Ford has done to the Mustang since the classic machine Steve McQueen drove in *Bullitt*, the intoxicating engine note and brutal performance has remained. First impressions are promising for the 300C – under the bonnet of the flagship model is a 5.7-litre HEMI V8, which delivers an awesome 340bhp to the back wheels. It sounds the business and, mated to a new five-speed automatic transmission as standard, pushes the saloon from 0-60mph in a pretty impressive 6.3 seconds, and on to an electronically limited maximum speed of 155mph.

The trouble is, Chrysler has backed down to the soap-dodging eco-brigade and fitted its Multi-Displacement System, which effectively shuts down four of the eight cylinders when they're not needed. It's really clever stuff, and gives the 300C surprisingly impressive fuel economy for a car of its size – but then what's the point of buying an enormous Yank tank if you can't act like an American driver and selfishly drink away the last of the earth's fossil fuels with your right foot?

Worse still, with underpinnings taken from the previous-generation Mercedes E-Class, the car is a disappointment when you reach a corner, while the 300C simply feels too big for our narrow, overcrowded roads – so you don't have confidence to push on too hard.

The 300C might be big, but it's not very clever – and Chrysler could regret the investment it's making in converting the saloon into right-hand-drive guise in time for the October 2005 showroom debut. This car is nothing on other machines in its class, and only a few cretins with more money than sense are likely to be wowed by the taste of America it offers. If US car makers are ever to succeed in this country, they should focus on the smaller stuff – just as McDonald's is ditching supersize in favour of salad. As for the 300C, I'm not lovin' it. ♣

'DITH STROKES!

Forget sod's law, it's Jude's law that every girl in this country isn't as fit and filthy as her!

PHOTOS: LOBO PRESS

When my old man once sat me down on his knee and uttered those immortal words of wisdom: "Listen son, life's not fair," I took heed. I thought he was just saying it because he felt guilty that he hadn't got me the Action Man I had so desperately wanted that Christmas. In all fairness I was 19 at the time and could have gone out and bought the bloody thing for myself, but it was the principle of the matter.

Now I'm older, wiser and fatter *(too right! – Ed.)* I realise he was actually preparing me for a more recent day in my life. The day when I would eventually come to terms with the fact that there just aren't enough gorgeous young porn models like *Club* regular Judith to go round for the likes of me.

It's true. Take a walk down your average street in Britain and how many girls do you see on par with this beauty?

Not only that, but even if there were a few more that looked as aesthetically pleasing as Judith in terms of face and body, how many of them would be as willing to jump in front of a camera lens and bare all?

And then, out of that remaining few, what percentage would have absolutely no qualms about telling a total stranger how they love to be fucked deep in the arse while sucking on another fella's big juicy prick?

If your calculations have gone anything like mine then the answer should be somewhere in the region of not many. Or, if you really are that unlucky - a big empty zilch. Confirmation - if ever it was needed - that girls like Judith really are that hard to come by. So let's all join together and show our deepest gratification for her liberal mind, luscious looks and subsequent uniqueness by cracking one out over the following pages... ♣

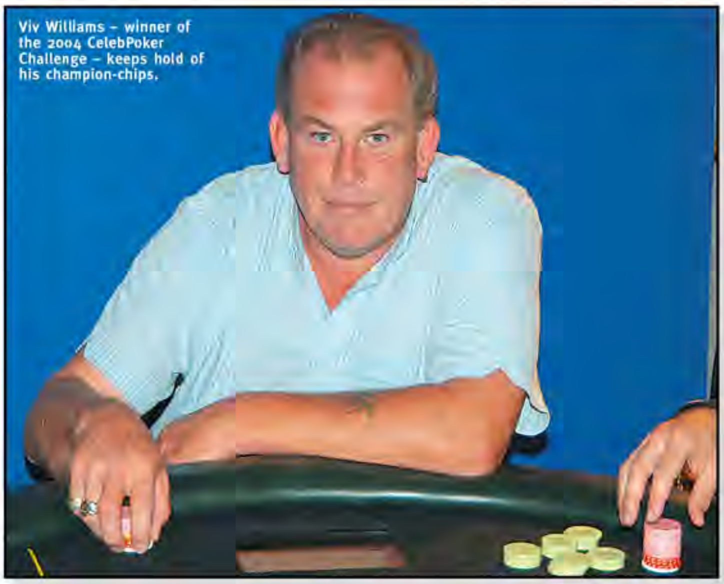
Red Hot Poker!

There's more to the internet than surfing for porn. You could always make better use of it by gambling your life savings away in an online casino. Who knows who you could be losing to...

PHOTOS: *Men & Motors*



Viv Williams – winner of the 2004 CelebPoker Challenge – keeps hold of his champion-chips.

Brighton on a bank holiday weekend is renowned as the traditional setting for hordes of Mods and Rockers to converge on the beach for a right old tear-up. Fortunately those days are behind us and it was a more reserved battle using skill and a little bit of luck (or should that be the other way round?) that took place in the swish surroundings of a casino in the city's marina complex.

The CelebPoker Challenge 2004 pitted 120 pro poker players against each other in the quest for a prize pool of £120,000 and as the event's title suggests there were a few famous faces seated at the tables.

Snooker stars Jimmy White, Steven Hendry and Mark Williams, eccentric racing pundit John McCririck and actor Jesse Birdsall (the bloke who played Marcus Tandy in BBC's dodo ex-pat soap *Eldorado* in case you're wondering) were just some of the big names having a gamble. All keen poker players they're also regular punters at the online tables of Celebpoker.com, the web site responsible for the event.

It's actually the virtual casinos that have given poker a boost of popularity in recent years. Avoiding the restrictions of casino's fervent licensing laws, the internet has allowed eager card sharks to log on and lump on at any time and play for real money. The added allure of Celebpoker.com is that regular players could find themselves battling for chips against a selection of celebrity names. As was the real life scenario with this event.

Players in this tournament had to qualify in a series of online championships and then stump up a cool grand to find themselves seated among the celebs when play commenced on the Saturday evening. While the stars displayed their skills it was only Welsh snooker wiz Mark Williams and former Chelsea forward Tony Cascarino who made it through to the second day to represent the celebs, leaving the less limelight accustomed professionals to get on with going for the real money.

By late Sunday afternoon, the competitors were soon narrowed down to the final nine and by this time Cascarino was the only famous face left at the table. But even his poker prowess wasn't enough and through a process of elimination it was non-celeb Viv Williams who actually went on to victory and claim the big money, a whopping £40,000. Not bad going for someone who wasn't used to playing with such high stakes and glamorous attention.

"I've been playing cards all my life but not on this scale," Viv, a salesman from Cardiff told us. "I normally play in £10 and £20 buy-ins. The most I've ever played in is a £50 buy-in at my local casino in Cardiff. When you're playing with those small amounts, it's hardly gambling is it? The actual buy-in for this tournament was £1000. £1000 is a lot of money for me, well, for most people it's a lot of money."

Unable to raise the full amount, Viv's entry in to the tournament was eventually accomplished by the generosity of two of his friends. Two friends that just so happened to be world class snooker professionals and celebrity entrants in the same tournament. Both Mark Williams and Stephen Hendry chipped in £200 each on behalf of Viv who made up the rest with his own money and luck took its path.

"Personally speaking, poker is a game of luck but when you keep getting to the final tables and winning I can't call that luck," opined Viv on his victory. "It's knowing when to go and when not to go. Sitting there and just being very patient. That's what poker is all about and to be very honest with you, I absolutely love the game."

> **"Poker is a game of luck but when you keep getting to the final tables and winning, I can't call that luck"**

Whether it was skill, luck or his passion for poker, Viv's victory has earned him a $5000 seat at the table of CelebPoker's next major event – the Global Challenge 2005 – which will take place in America. So what does he think of his chances there?

"The same chance as anybody else," Viv calmly admits. "If I sit there and sit there and sit there and just play when I need to play and don't get involved too much then basically I've got the same chance as anybody else to be honest with you. But I tell you what, if I won that, that would be absolutely fantastic."

Yeah, bloody fantastic when there's a mega prize pot of $4.5 million dollars up for grabs. Who said gambling was a mug's game?

You can find out more about this and future celebrity poker events at www.celebpoker.com ♣

POKER ON FILM

The best cardshark movies of all time

Alright, so you know how to play, but everyone knows the most important thing in poker is getting the look and the moves right. And if you want to learn those from the masters, where better to start than the high-stakes world of the silver screen?

1) The Cincinnati Kid (1965)
Starring Steve McQueen as the eponymous Kid and Edward G. Robinson as the hoary old master, this is pretty well The Hustler with cards. Alright, so with an unnecessary romance sub-plot it's looking a bit dated these days, but the poker scene at the end is still a classic!

2) Big Deal at Dodge City, aka Big Hand for a Little Lady (1966)
Homesy western turns into a suspense-ridden pokerthon as Henry Fonda and Joanne Woodward battle to make up for his reckless losses at the card table. A mammoth twist at then end marks this one out as a great.

3) Rounders (1998)
Matt Damon and Edward Norton star in this well-paced effort. The game itself is particularly well filmed, and in a few years' time this'll probably be widely regarded as the top poker players poker movie.

4) Luckytown (2000)
Well it stars Kirsten Dunst, so it's got to be worth watching. I mean come on – she does a pole dance and everything, and with loads of card-play too, what's not to like?

5) Lock, Stock and Two Smoking Barrels (1998)
Manorial mockney squire Guy Ritchie's gangland caper is given its impetus by a poker blow-out. You know the rest.

WHAT A BEACH!

Meet Monique - the coastess with the mostest...

PHOTOS: JACKS

Ever seen what happens when a whale gets washed up on the beach? All the locals flock to the shore desperate to get the poor fella back in the water. Or if that doesn't quite go as planned, to watch 150 blubbering tonnes of seagull food gradually materialise in front of them.

When the tide pulled in Monique to this sandy enclave she attracted a similar crowd, but thankfully no one tried to tempt her back into the sea with a bucketful of fish and some big sticks.

"I love going to the beach," the sun-worshipping stunner told us. "It's the one place I can take off all of my clothes in public without some prudish nimby calling the police. I know going naked can attract a lot of unwanted attention, but I actually get a kick out of being leered at by total strangers.

"I'd be lying if I said I didn't want guys to look at my body. I suppose that's the reason why I decided to become a porn model. The idea that some random guy that I've never met before is looking at my pictures and wanking himself off to the thought of fucking me. I mean, how exciting does that sound?

"I guess I'm just as bad when it comes to ogling the opposite sex. If I'm in the street and I see some fella I like the look of, I'll gladly eye him up. But I won't take it any further than that - I'm far too shy to start a conversation. I'd rather just let my filthy mind run riot about what could happen between us when I'm pleasuring myself later."

She definitely gets our surf up! ♣

READERS' GIRLFRIENDS

Does your bird fancy getting her kit off for Club? Get her to send a picture of herself, together with her name, address and a contact telephone number, to Readers' Girls, Club, 2 Archer Street. London W1D 7AW. If she fits the bill she'll get a top photo shoot and a **£200** cheque, too!

PERSONAL DETAILS

NAME: Trisha
AGE: 26
VITAL STATISTICS: 32B-24-36
WHAT'S SHE LIKE? Her pussy isn't tight and neither is her mind!

WHY DID YOU WANT TO APPEAR IN CLUB?
You get loads of these 'High Street Honeys' or whatever they are in the tame lads' mags but why beat about the bush? If you're going to get your kit off, then go the whole hog and do it in a proper porno mag!

THAT'S THE SPIRIT. SO HOW FAR WOULD YOU BE PREPARED TO GO?
I'm not a prude if that's what you mean, and I'm certainly not one of these types who pretends they'll do anything just for the shock factor. I'll take it up the arse, I'll fuck another girl, I'll do two blokes at the same time, you name it...

DON'T TEMPT US! SO WOULD YOU BE SPEAKING FROM EXPERIENCE HERE?
Not quite, I've only just got into the lesbo thing so I've yet to experience the delights of another girl. As for two dicks at a time, yeah, I've done it loads of times before - I love it. My nickname on holiday was 'Roastie' for obvious reasons!

APART FROM BEING BETWEEN TWO MEN, WHAT'S YOUR FAVE POSITION?
To be honest, I don't have a favourite. When I'm being fucked I like the guy to take charge and position me as he wishes. Saying that, it usually ends up that I find myself going doggy style - just so that whoever is fucking me can have a go at doing me up the arse if they want! ♣

Erotica XXX

(Passion8.tv) ★★★★

Hmm, a classy cover, a tasteful title – what's all this? Well have no fears – any worries you may have has that what you've got your hands on is a load of soft-focus romantic slush will soon be dispelled once you've poked the disc into your machine. Quite apart from anything else, a fair slab of the man-meat on display comes from Nacho Vidal – America's all-snarling and spitting answer to Rocco Siffredi, and we've never seen him in a girly romantic scene yet! Of the female talent on display top honours have to go to covergirl Taylor Rain, who (quite aside from being gorgeous) takes an eye-popping back-scuttling from Nacho in the final scene. Co-stars Sabrine Maui and Mandy Bright (masterfully handling 2 cocks) are no slouches either, and clearly love nothing more than the smell of dick in the morning – or afternoon.

SEX EDUCATION DVD

Modern Loving

(Lace International)

★★★

Well there's no shortage of instructional vids out there for those of us who want to polish up their technique, and here's another! Instead of using sexy 'actors', though, *Modern Loving* prefers to concentrate on real couples which, while making the sex a bit more intimate, also means you've go to look at a few odd-bods getting their rocks off. Still, if you're having trouble persuading the missus to watch a porno with you, this'll be a good place to start – the sex is fairly explicit (if rather brief), and it's bound to get her in the mood.

Internal Cumbustion 3 (Passion8.tv) ★★★★

And if you prefer your action a bit nearer the knuckle, here's a clever title for what turns out to be a pretty decent 'cream pie' scuzz flick, with not a facial in sight. Filthy porno practices aside, of course, it's the girls who make a film worth watching, and this flick features quite a few who are not only tasty enough – but also utterly wanton. Squirting fans will be pleased to see Cytherea sprinkling her juices all over the place, while Brit pornhounds probably won't take too long before heading to Jamie Brooks's scene, in which the pre-boob job blonde gets a good DP workout and two helpings of spuff for her trouble. Six scenes in all, and you'd be hard pushed to find a duffer among them.

Wonderland

(Tartan) ★★★★

Not content with having a big todger and fucking thousands of porn bints, John Holmes was also prone to ingesting whopping amounts of cocaine. Strangely enough, this got him mixed up with a dodgy crowd, and before he knew it Holmes was implicated in a quadruple murder in 1981 which remains unsolved to this day. James Cox's 2003 flick explores what might have happened. Starring Val Kilmer as Holmes and the ditzy blonde from *Friends*, this is a pretty smart flick. What's more, we've got DVDs to give away to the first five entries out of a hat to answer this question: Which English actress was married to Val Kilmer for a bit? Answers to Club's Wonderland Comp at the usual address, to reach us no later than November 12th 2004.

CHEAPY DVD

Take 3 Sets

(Momentum Pictures) ★★★

Thankfully, overpriced DVDs are getting cheaper all the time – especially so when you get package deals like these Take 3 sets. Three good(ish) titles for only £15.99 is hard to sniff at, and with Christmas fast approaching should go down well with the tightwads out there who've twigged they can sort out three people's pressies in one fell swoop. The package that caught our eye featured *The Graduate*, *The Elephant Man* and *Carnal Knowledge*, but other sets include *Bill and Ted's Excellent Adventure*, *Flash Gordon* and *Basic Instinct*.

CINEMA

Buba Ho-Tep

(www.fox.co.uk) ★★★★★

It was only going to be a matter of time before they made a film about Elvis – now living in a retirement home - battling against the evil machinations of a resurrected Egyptian mummy. Well, here it is at last, and it's definitely been worth the wait. Starring *Evil Dead* hero Bruce Campbell as the King, this is a rollocking and inspired piece of lunacy, and definitely worth catching. Keep your eyes peeled, though - it probably won't be headlining in your nearest multiplex.

TOYS FOR BOYS

Water Jet Machine

(www.Passion8.com) ★★★

Ever wondered what it'd be like to have a special shower attachment just for your cock? Well wonder no more – here it is! Simply replace your shower-head with this special nozzle, stick your old man in the silicone sleeve and then poke it inside. Allow the pressure to build up a bit before releasing to suit by withdrawing slightly... and Bob's your uncle! But what does it feel like? Close your eyes for a moment and imagine you've got warm water sluicing all round your johnson. Got it? Well, it feels exactly like that.

Well, when he's not gurning and acting the twat Jim Carrey's capable of making the odd decent film (*The Truman Show* and *Man on the Moon*, to name but both), and thankfully it looks like he's bagged a hat-trick with this one. Co-starring Kate Winslet, this is the tale of a failed relationship which blossoms again after both parties have had their memories wiped. OK, so it sounds a bit sci-fi, but it's actually a thoughtful, indie-feeling flick which features nice turns from Mark Ruffalo, Kirsten Dunst and Brit Tom Wilkinson. OK, so it probably won't change your world or anything, but it's a pretty good way to idle away a couple of hours or so.

DVD

The Producers

(Momentum Pictures) ★★★★★

Following it's runaway success on Broadway and in anticipation of its opening in London's West End (so look out), Mel Brooks's timeless 1968 comedy finally gets the 2 disc Special Edition treatment. Starring a young Gene Wilder and the great Zero Mostel, *The Producers* has just about everything you could want from a top comedy – as long as what you want is tasteless gags about shagging grannies and musical routines about Nazi Germany, that is. If you haven't seen it yet, then firstly give yourself a slap for being so slack and then secondly get out there and bag yourself a copy. Long-term fans of Mel Brooks, meanwhile, will be chuffed with the hour long feature on the making of the film and various other extras – not to mention the flick itself.

PS2 / XBOX / PC

Conflict: Vietnam

(SCI Games) ★★★

Perfectly timed for release in the wake of a moral panic about violent video games, here's a bloody shoot 'em up based on one of the most pointless wars in recent times. In *Conflict: Vietnam* you get to take charge of a team of four US soldiers as they struggle for survival. Which roughly translates as shooting the crap out of anything that moves in the name of the good old US of A. Moral concerns and political correctness aside, *Conflict: Vietnam* is a pretty addictive slice of gaming. Question is; 30-odd years on, will one of your Gook-slaying chums manage to get himself elected President, or will the top job go to a battle-shy coke-fiend idiot who stayed at home?

DVD

The Prisoner Box-Set (Granada Ventures) ★★★★★

Well, as cult viewing goes, things don't get much cultier than 1967's baffling *tour de force* from braniac actor/director Patrick McGoohan. Let's face it, it's got everything, from a zappy opening credit featuring a Lotus 7 and a groovy soundtrack to a baffling plot involving Secret Services, a Welsh tourist resort and a giant bouncing ball called Rover. OK, so die-hard fans will probably already have snapped it up on DVD yonks ago, but they'll be kicking themselves now, with the arrival of this stonking 5 disc digi-pack featuring all 17 episodes and a whole host of bonus material, including a biography of McGoohan and alternate versions of the first two episodes. If you never got into *The Prisoner* this is the perfect place to start – although you'd better get used to people (alright, 'girls') confusing it with some shit series set in an Australian jail.

CAUGHT ON THE JOB

I'm a secretary for a small builders' merchants and, as you can imagine, I come into contact with a lot of rugged builder types. Being a natural flirt I'll go along with their banter but I never go too far. Or at least I didn't until the other day.

It was a Friday afternoon and everybody usually goes home early, or rather all the blokes go to the pub and I nip in to town to do a bit of shopping. However, I was going on holiday the next week so I thought I'd stay behind and get a few things in order.

I actually got things done quicker than expected and since my bus wasn't due for a while I had time to kill. Excited about my holiday I logged on to the Internet to find out more about the resort I was going to be visiting the next week.

Of course, being an open-minded type of girl with internet access and no one in sight I soon found myself visiting a couple of porn sites. I'm not a lezza but I like looking at pictures of other women, especially when guys with massive cocks are fucking them.

I'm not ashamed to admit that while I looked at more dirty pictures my hand went down the front of my knickers. As I flicked through a selection of images I massaged my fold, occasionally pushing a finger even deeper inside.

Pretty soon a combination of the porn and my own handiwork had me in a frenzied state. I was nearing orgasm and being alone in the office I could voice my satisfaction very loudly.

As I rode the climactic crest I screamed as the top of my voice, engulfed by the sheer pleasure.

Then I was suddenly brought back to earth as the door flung open and Brian, one of the guys from the yard, said, "Lisa, are you OK?"

We both looked at each other with startled glares. When Brian had registered what I was up to a smile came to his face.

"You dirty little cow!" Brian chuckled as my face turned red.

"You won't tell anyone, will you?" I asked, hoping he wouldn't.

"That depends," he replied, gripping the front of his jeans.

I knew what he was implying and had I not been so sexually charged I would have told him to fuck off! But I was in the mood for it, he wasn't a bad looking bloke and I thought it would put me in the right mood for my holiday. So I thought 'what the fuck?', stood up, walked towards him and replaced the hand on his groin with mine.

Brian looked a bit startled at first but when he realised I wasn't teasing him he pulled me close to him. He ripped my blouse open to reveal my bra. Then he lifted my skirt and tried to pull down my knickers.

It was all a bit awkward but he eventually had my knickers round my ankles while I unbuckled his belt. I dropped to my knees, pulled down his flies and fished out his cock. With his beam in my hand I slowly wanked him off until he was solid. Then I looked up, flashed him a smile and began to circle my tongue around his helmet.

"Oh yes, you little slut," he groaned as I ran my tongue up and down his shaft.

> ***"With his beam in my hand I slowly wanked him off until he was solid"***

I sucked on his dick for a good five minutes before he told me to stand up. Being so big and strong, he lifted me up in the air and I repositioned my legs around him. Then he lowered me until his hard prick skewered my moist snatch.

I shivered as my wet pussy slid down over his cock. My petite frame was nothing for him so I bounced up and down, controlling the rhythm at which we fucked. Occasionally I would buck backwards and forwards just to heighten the pleasure.

After a while Brian must have been feeling the strain so he moved us both over to by my desk and lowered me on to it, still keeping his prick inside of me. With me on my back it was now his turn to control the tempo. Every thrust sent a shiver down my spine. Brian was a big man and had a lot of power to put behind his thrusts.

Pretty soon I was wailing at the top of my voice again. This time the moans were longer and more satisfying, much like the orgasm that soon followed.

It took Brian a bit longer to finish off but when he did my vagina was flooded with his cum. As he pulled out a gush of juices trickled out on to my desk. I'd have to get that cleaned up before we left.

As I remained sprawled on my desk, Brian tidied himself up and promptly left. But not before wishing me a good holiday. I was going to need it after that! - *Lisa, Hull* ♣

HELP IS AT HAND

I'm a painter and decorator by trade and I recently had a very nice perk on the job. I was doing the outside of this house for a couple. They were mid-thirties and although they both worked, Anna, the missus of the house, had taken the week off while I was there. She was quite nice in a 'yeah, I would if she offered it to me' kind of way but I wouldn't have gone out of my way to fuck her. But then it turned out I didn't need to.

I'd spent a whole afternoon up and down a ladder putting a coat on all the guttering round the roof. It was hard work but I didn't mind because it was a nice day. Anyway, there I was coming down the ladder when I slipped. I was quite near the bottom but I fell awkwardly onto my knee, grazing it on the gravel path below. It didn't particularly hurt but it was bleeding so I limped to the backdoor and called out for Anna.

Seeing my injury she ushered me into the lounge and told me to sit on the sofa while she went to get something for my cut. I took advantage of the welcome break and made myself comfy while she rummaged around a first aid box. When she found a suitable dressing she got ready to apply it to my knee.

It was bandaged up in a couple of seconds but Anna's hands remained clutching my leg. Then they started to move up my thigh and under my shorts. I was amazed, especially when one of her hands made its way into my pants.

Sensing what was coming, my knob sprung to attention and Anna calmly gripped it. I looked down at her in total shock but she just seemed so nonchalant about it. Oh well!

> **"I watched in awe as my knob slid easily inside her cunt"**

Anna peeled off my boxer shorts and as I looked down with great anticipation the tip of her tongue made contact with my ball bag. From there it travelled up the length of my rod, before making a few laps of my helmet and then I watched, and felt, with great pleasure as it disappeared inside her mouth.

I let my hand roam down the front of Anna's knickers. My fingertips slid swiftly over her near smooth mound before locating the opening. I probed with my middle finger between her lips before detecting moisture. From that point my digits sunk deep.

I had to free my hand from Anna's succulent hole as she let go of my cock with her mouth and positioned herself over me. There was little I could do as she held my firm cock upright and I watched in awe as my knob slid easily inside her cunt. When she had taken my length to the hilt she began a subtle rocking movement and with each downward thrust my cock was treated to a fantastic work-out.

For the next fifteen minutes Anna rode me until I couldn't hold it any longer. And believe me I tried. The moment was just so exhilarating I had to burst. My body tightened as a stream of cum shot from my cock and decorated the insides of Anna's pussy. Although I was spent she kept riding me until she was finished too.

Finally exhausted, she climbed off me and let me take the rest of the afternoon off because of my knee. Naturally I did as she said, but I'm a good worker and managed to struggle the next day! - *Chris, Burnley*

OPEN INVITATION

I went out to the pub the other night and ended up talking to an attractive bloke called Steven. We got on really well and I had high hopes that our conversation might lead on to something else. However, after a little while a fantastically beautiful looking girl appeared; to my despair she turned out to be Steven's girlfriend.

At first I thought this Melissa might be mad with me for chatting up her boyfriend, but she wasn't. In fact she turned out to be really nice. As a result I gave up any thoughts of fucking Steven and just enjoyed their company.

When Melissa finally turned to Steven and said it was time to go I thought that would be the end of the evening for me, so I was completely amazed when she looked me straight in the eyes and said, "Well, are you coming?" like it was the most natural thing in the world.

I wasn't sure if she meant they were going on to a club but I said "yes" because I didn't have anything better to do. So off we went to get a taxi.

We didn't talk in the cab and I felt rather awkward but when the taxi turned into a residential street it became clear that we weren't going to a club. I began to feel myself getting wet with excitement at what might be about to happen when we pulled up outside some flats.

I knew straight away that it was Melissa's flat we were in as it was very much like her – feminine, sensual and sexy in a discrete way. I also knew straight away that the three of us were about to indulge in something that doesn't happen every day. To me, at least.

We went directly to her bedroom, which was all high ceilings and tall mirrors, with a big sofa in the corner. Melissa stood in front of a full-length mirror and started to undress.

"I'm going to eat your pussy," was all she said. "Why don't you take your clothes off?"

Steven settled himself on the sofa, obviously happy to watch Melissa and I. I'd never licked a pussy before or had mine licked by a girl so this was new to me, but they were both so gorgeous and nice that I knew I would be safe with them, and I started to undress.

When we were both in our underwear we stood and

> ***"I'd never licked a pussy before or had mine licked so this was all new to me"***

admired each other. Melissa's body was as close to perfect as it is possible to get and when she slipped her bra and pants off I felt my pussy start to contract, almost against my will. I was sure I could feel my juices running down my thighs.

Melissa guided me on to the bed and started to lick me between the legs. She was gentle and it was the best thing I have ever felt. I shuddered as her tongue lapped at my clit and parted my lips, pushing inside my hole. I came, biting my lips to stop myself shouting out.

As my hips bucked, Melissa moved up the bed and swung her hips over my face so I was looking straight up at her cunt as she continued to suck mine. She lowered her pussy down until it was pressed onto my face and I attacked it with my tongue, eating her cunt like it was ripe fruit.

As I devoured Melissa's pussy, I felt her sucking on my slit but I also felt something else – Steven's strong hands grasping my thighs and pushing them up against my body. My cunt opened even wider and Melissa used the opportunity to explore my gash more deeply. I felt my juices and her saliva run over my anus and I knew my backside was very exposed. Then I felt Steven's hard cock brush against the skin of my buttocks and then in the groove of my arse.

Melissa stopped eating me out to take Steven's cock into her mouth and suck noisily on it. Her thumb slipped into my slit while she massaged my perineum and arsehole with her index and middle fingers. She then took hold of Steven's knob and pushed its tip between my slippery lips, using his cock on me like a dildo. I was gasping for breath as I felt my cunt being filled but Melissa continued to gyrate her groin, rubbing her cunt all over my face.

After dipping Steven's cock in my cunt for a few minutes she withdrew it completely and placed her mouth back over my pussy, sucking my lips into her mouth.

At the same time she placed Steven's cock against my sphincter and encouraged him to push. I let myself go, relaxed the muscles of my arse as best I could and waited.

He pushed in me slowly and I felt myself open up. He seemed huge. At this point I went wild, shouting out: "Fuck my arse! Suck my cunt!"

Having both holes pleasured was a mind-blowing experience and for the next few minutes I was thrown into sexual ecstasy as Steven and Melissa raced to make me cum. As my orgasmic juices began to gush, Melissa responded by lapping at me even harder. Steven kept drilling his rigid dick deep into my arse, driving me wild.

The waves of excitement continued until Steven finally emptied his load up my bum before collapsing to the side of me. He and I were panting for breath while Melissa took turns in lapping at my pussy and arse and Steven's cock for any remaining juices.

The next morning I awoke to find myself on Melissa's bed, sandwiched snugly between her and her boyfriend. A repeat performance ensued and well, let's just say I've been a regular visitor to Melissa's flat since then. – *Hannah, Leeds* ♣

BUM FUCKING BRENDA

I met Brenda only last weekend and already my sex life has literally turned around. You see, Brenda loves back door banging. I know that it's every bloke's fantasy and sounds unbelievable, but I'm telling you: some girls just love it.

I met her at a party in Ipswich and we hit it off. When she was leaving I gave her my phone number and she rang me the following evening. We got together for a few drinks, and as I was walking her out to her car she asked me why I wasn't taking her home "for coffee and a screw!"

I was flabbergasted. No bird I've ever been with has been as forward as Brenda, but I was not going to miss out on a free ride – so I hopped in and gave her directions to my pad. Back at my place I made coffee while she used the bathroom.

When she returned she was naked except for a thong, her big bouncing jugs jutting from her chest like a pair of party balloons. My eyes were glued to her tits and I had difficulty making eye contact with anything but her nips while attempting to chat with her while she drank her coffee.

I just don't understand birds at all. They wiggle around with their tits out like a porn bitch on Viagra and expect a bloke to make sensible conversation. I found myself addressing every reply to her Bristols.

My cock had hardened into an almost painful horn and while she chatted about her day I found myself beginning to sweat. Unable to hold out much longer, I stood up and removed my T-shirt, flexing what muscles I have in the passing and hoping she'd admire my fairly well toned physique. To my disappointment she just looked straight at my crotch and told me to remove my shorts so she could see the size of my prick.

Talk about blunt! I was glad that I am more than just average in the todger department, and slipping off my boxers I displayed my erect penis. She grinned happily when she saw it, remarking that it was a while since she had been "plumbed with a drain-rod that length".

I was slightly taken aback by such crudity. Even my mates stop short of being that gross, but with her enormous funbags waggling in my face I easily maintained my erection. Reaching out, I took a handful of wobbling tit and squeezed it gently, before sucking on the greatly engorged nipple. My balls tightened as I felt a ripple of sheer animal lust firing in my loins.

> **"Feeling her to be ready, I aligned my helmet against her rectal opening and pressed determinedly"**

Reaching for the waistband of her tiny thong-style briefs, I began lowering them. But, laying a hand on mine, Brenda stopped me saying that it would be more stimulating for her if I just pulled them aside while mounting her. I let her have her way. After all it's not every night you get an easy lay – and Brenda was certainly that!

Pulling the gusset aside, I began rolling her little bud between my thumb and forefinger. When I suggested she lie on the floor so I could enter her I was slightly taken aback when she shook her head and clamped her hands over her minge.

Getting onto her hands and knees she wriggled her smooth, softly rounded arse cheeks in my face, and, looking over her shoulder, asked me quite straightforwardly to fuck her "up the bum". Momentarily stunned, I hesitated and as I did I was further gobsmacked when she parted her voluptuous buttocks and pulled the G-string hard up her crack.

Taking a deep breath I surveyed the proffered terrain and found it the most erotic sight I had ever witnessed. Her deep cleft was sharply divided by her thong and I could see the delicately ridged ring of her anal passage peeping from either side of it. It was beautiful – and I automatically sank my face between her cheeks, inhaling the delicate scent of her arousal.

Pulling upward on her thong, I stretched the narrow gusset between her labia and began lubricating her anal rose with my tongue. Brenda wiggled delightedly as I rimmed her delicate pale pink ring, saturating it with my saliva to prepare the entrance for my stonking hard cock.

Feeling her to be ready, I aligned my helmet against her rectal opening and pressed determinedly against it. Her sphincter was tight in spite of her proclivity for arse play, and as it gave way I inched my truncheon inside her velvet interior.

With a moan of pleasure she backed up against me, encouraging me verbally to fuck her arse. Taking her at her word I ploughed on, jerking my

weapon hard inside her until it was buried up to the hilt in her warm jacksie.

Brenda repeatedly slammed her buttocks back onto it in an almost frenzied manner as I plunged my rod in and out of her tight ring. Her internal muscles constricted hard around my swollen prick and I soon began to feel my climax approaching. With one hard shunt I began to spout my jizz inside her as she threw her head back and squealed in orgasm. Her tightly gripping contractions milked every last drop of cum from my thoroughly spent cock.

After that night of wild anal lust I'm hooked, and can't wait to see Brenda as much as possible from now on. – *Greg, Ipswich*

ANAL IN-TENT

I've just come back from one of the best weekends of my life. I'd gone to this big music festival with a few of my mates from college and not only did I see some of my favourite bands playing, I also had my anal cherry popped!

It happened on the Sunday morning. I can't remember much about the evening before because I'd had so much to drink but when I woke up in my tent I felt a bit worse for wear. My mates had left me a note saying they had gone to see some act on the main stage but I appreciated being left to sleep off my hangover.

I thought I'd just chill out in front of my tent, it was a nice day and I could still hear some of the bands playing on a nearby stage. A few other people had the same idea as me, and pretty soon I got talking to this bunch of lads from up north.

Out of the group, Jamie, caught my eye. He was just over 6 foot, had dark hair and a really nice smile. We got chatting and I found myself flirting outrageously with him. To the point that his mates figured out what was going on and decided to leave the pair of us in each other's company.

I'm not usually so eager to get something on with a bloke I've only just met, but I had got into that festival spirit and couldn't miss an opportunity like this. Using the midday heat as an excuse I suggested we sit in my tent to cool off.

Of course, we hardly cooled off. As soon as the zip entrance of my tent had been closed our hands were all over each other's bodies. I was only wearing a skimpy pair of shorts and a cropped T-shirt so they came off in a flash and I found myself stark naked with Jamie.

I grasped at the waistband of his boxer shorts and pulled them down to reveal a stonking boner. I began tugging on his prick and wanted to take it in my mouth first, but Jamie took control. He spread my legs and positioned himself between them. Then he teased my pussy lips with his knob before leaning forward and sinking the whole length inside me in one swift stroke.

My pussy throbbed with the intrusion but Jamie's subsequent thrusts were gentle. I wrapped my legs around his and occasionally gasped with pleasure as his cock slid inside me.

It seemed like he was fucking me in this position for ages – not that I was complaining since it felt great! – but just when I thought he was about to shoot his load he pulled out.

"Turn round on to your hands and knees," he ordered. I obeyed and raised my behind high in the air for him to approach. Looking back over my shoulder I saw Jamie spit into his hand and then he ran a saliva sodden finger down my crevice until it reached my ring piece.

When Jamie smeared my brown hole with his spit I knew what was coming next. I hadn't taken anything in my behind before, and didn't think I ever would. That was about to change. He pushed his bulbous head against my hole and then slowly sunk his prick up my arse.

It was a strange sensation. Slightly uncomfortable at first but as I felt every inch dig deeper in to my backside I began to enjoy it.

The strokes soon accelerated and with his hands gripped on my waist Jamie gave me a right arse pounding. I shuddered with every hard thrust in my rear and winced when he slapped my arse cheeks. To be honest, I was really starting to enjoy the experience but then as quick as it had started, it was over.

When his arse pumps had reached their height Jamie whipped his prick out of my back hole. As I felt my ring snap tight again, I also felt a shower of hot sticky cream being fired into my crevice and over my back.

Shattered from my first anal experience, I collapsed on to my sleeping bag. Jamie lay beside me and stroked my bum, rubbing his jizz into my skin until I fell asleep.

I was woken later in the afternoon by the return of mates and to my annoyance Jamie was not by my side. I decided not to tell my friends what had happened. Or at least I tried not to tell them until I got really pissed later that night and blurted it all out! – *Kerry, Dover* ♣

PRIZE JOKE

KEEP THE TIP

A surgeon was retiring from his long and rewarding career as a world renowned specialist in the field of circumcision.

Throughout his lengthy career, he had saved the foreskins of all of his patients in specimen jars as momentos, and now wished to fashion them into a suitable souvenir.

So after giving it some thought he took hundreds of specimens to a leathersmith, and asked him to craft an article of fine artistic quality. "I'll see what I can do," said the artisan. "Check back with me in one week."

As instructed, the surgeon returned one week later, eager to see what magnificent article the leathersmith had fashioned for him. The leathersmith presented him with a wallet.

"All those foreskins and you only make me a wallet?" Exclaimed the surgeon.

The leathersmith calmly replied, "Yes, but if you stroke it several times, it becomes a briefcase."

FRUIT SQUASH

Three men who were lost in the forest were captured by cannibals. The cannibal king told the prisoners that they could live if they pass a simple trial. The first step of the trial was to go to the forest and get ten pieces of the same kind of fruit. So all three men went separate ways to gather fruits.

The first one came back and said to the king, "I brought ten apples."

The king then explained the next part of the trial to him. "You have to shove the fruits up your bum without any expression on your face or you'll be eaten."

The first apple went in... but on the second one he winced out in pain, so he was killed.

Then the second man arrived and showed the king ten berries. When the king explained the trial to him he thought to himself that this should be easy so he had a go... 1.. 2... 3... 4... 5... 6... 7... 8..., it was going well but on the ninth berry he suddenly burst out with laughter and was killed.

The first guy and the second guy met in heaven. The first one asked, "Why did you laugh, you almost got away with it?" The second one replied, "I couldn't help it, I saw the third guy coming with pineapples!"

A BRIDGE TOO FAR

A truck driver was driving along the road. A sign comes up that reads 'low bridge ahead.' Before he knows it the bridge is right ahead of him and he gets stuck under the bridge and cars start backing up behind him for miles.

Finally, a police car comes along. The policeman gets out of his car and walks around to the truck driver, puts his hands on his hips and says, "Got stuck?"

The truck driver says, "No mate, I was just delivering this bridge and ran out of petrol."

RAISE YOUR GLASSES

An Englishman, an Aussie and a South African are in a bar one night, having a beer together.

All of a sudden the South African downs his beer, throws his glass in the air, pulls out a gun and shoots the glass to pieces and says: "In Sath Efrika our glasses are so cheap that we don't need to drink from them twice."

The Aussie impressed by this, drinks his beer, throws his glass in the air, pulls out his gun and shoots the glass to pieces and says: "Well mate, in Straaaaailliiaa we have so much sand to make the glasses that we don't need to drink from the same glass twice either."

The Englishman, cool as a cucumber, picks up his beer and drinks it, throws his glass into the air, pulls out his gun, shoots the South African and the Australian and then says: "In London we have so many South Africans and Australians that we don't need to drink with the same ones twice."

A WING AND A PRAYER

Looking for a clever new marketing opportunity for Kentucky Fried Chicken, Colonel Sanders calls the Pope and says: "I want you to change the Lord's Prayer from 'Give us this day our daily bread' to 'Give us this day our daily chicken'. If you do it, I'll donate £10m to the Vatican."

"I'm sorry," the Pope replies, "it's the Lord's Prayer and so I really can't change it."

After another month of poor sales, the Colonel calls the Pope again. "Your Holiness, I really need your help. I'll donate £50m to the Vatican if you change the words of the Lord's Prayer to 'Give us this day our daily chicken.'"

"Colonel, your offer is very tempting," the Pope says. "The church could do a lot of good with that much money. But again, I am sorry but I must decline. It is the Lord's Prayer and I just can't change the words."

With that, the Colonel hangs up again.

After two months of woeful sales, the Colonel is increasingly desperate. "Your Holiness, here is my final offer. If you change the Lord's prayer for me I will give £100m to the Vatican."

"Let me get back to you," the Pope replies.

He calls together all his bishops and says, "I have some good news and some bad news. The good news is that KFC is going to donate £100m to the Vatican. The bad news is that it looks like we've lost the Hovis account."

TWO OF A KIND

Ever noticed the similarities between Kyla and Adele? Pure coincidence or porn conspiracy?

PHOTOS: DARREN MCCORMACK

Check out this meeting of great… er, muffs. Kyla Cole and Adele Stephens have both put in their fair share of fanny flashing, muff munching and cock creaming to earn our respect so it's only fair that we reward them, and you for that matter, with another appearance in *Club*. See, we can be nice like that.

Don't you just love the way that from the neck down these two are, bar a slight difference in skin tone, near enough identical? It's almost as if God used the same mould for their bodies, but left us with the option of what colour hair we would prefer. How thoughtful of him.

"It's not the first time we've been likened to each other," Adele explained, mid-shoot. "Yeah, we're constantly being told that we both look good enough to fuck! Actually, having roughly the same measurements is very handy, we can slip into each other's clothes whenever we like."

"Or we can even slip out of them!" Kyla adds.

"Funnily enough, we also have a similar taste in men," Adele continues. "Or at least what we really like them to do with us!"

That's not surprising, but would you care to elaborate? "Well, I know we both enjoy sucking on dick almost as much as we love eating out of each other's pussies," Kyla remarks. "And if we happen to be sucking the same dick, then that's even better!" ♣

Stella...

...where to stick it!

I've only just got home from a night on the tiles, as you can probably tell from the extravagant dress I'm wearing. But boy - what a night it was!

I'd gone to quite a renowned club in central London and was planning to make an early departure – but you know how these things can change. Especially when there's a sexy hunk involved!

There I was sitting in the corner with a couple of my friends when this guy came over and offered to buy us all a drink. Usually I decline but there was something about this one. He bought me a drink, we got chatting and the next thing I knew I was putting my hand down his pants in the back of a taxi.

"When a guy starts fingering me it's not long before I get the desire for a cock inside me"

He was staying at this posh hotel so when we get there he ordered up a bottle of champers from room service and then the fun really started.

We were both naked on the bed and I started pouring some of the champagne over my tits. He was down there in a flash lapping up all he could. Then he took the bottle and tipped the last few drops of champagne onto his cock.

At first I carefully licked his prick until it was nice and firm, then I took the whole lot to the back of my throat. While sucking him off I started to fondle his balls and as I was doing that he reached over and started to gently prod at my pussy slit with a couple of fingers.

When a guy starts fingering me it's not long before I get the desire for a cock inside me so I straddled over his groin and teased the tip of his knob against my lips.

Then I slowly lowered myself so his prick eased inside my wet pussy.

He didn't have much to do apart from hold my waist or tease my nipples as I began to ride him. Feeling a length deep inside me is one of those pleasures that I can't live without… that and the taste of spunk!

After he had shot his sticky load inside me, I climbed off him and used my tongue to clean up his juice-ridden dick.

The night progressed in a similar manner, hence me only getting back home a few hours ago! ♣

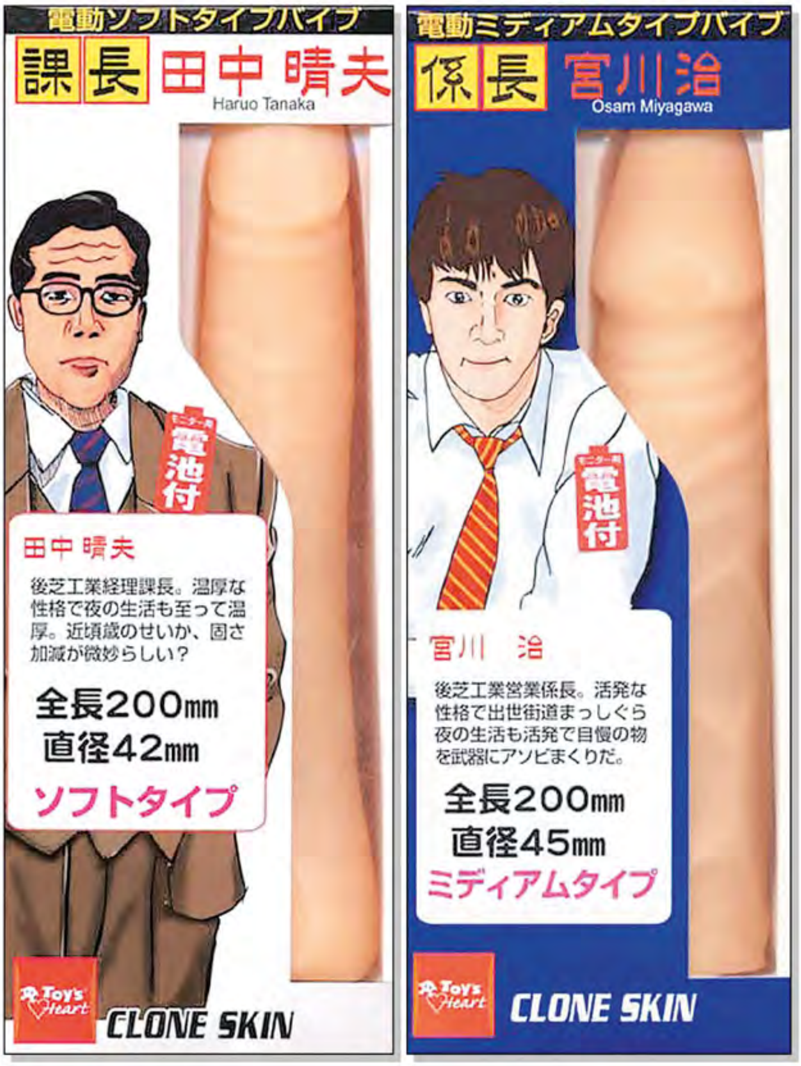
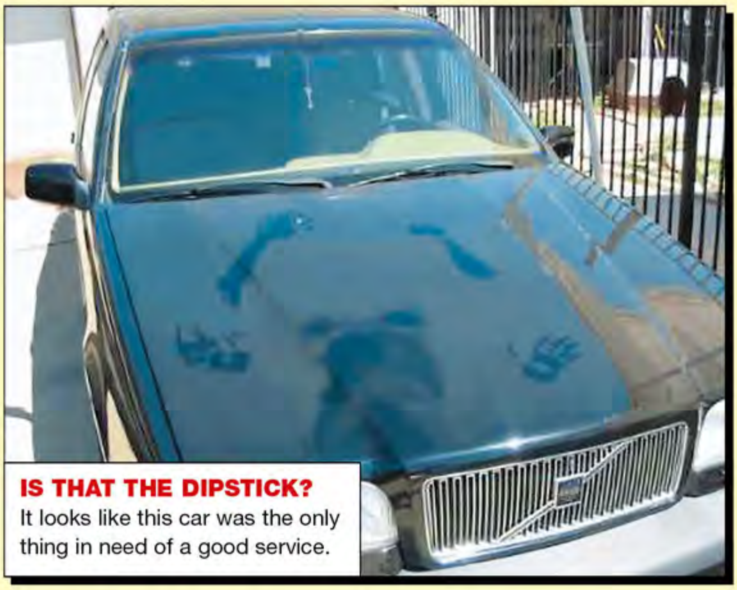
ALL NELL & GOOD

Has this guy got the best job in the world, or what? Ok, so it's a bit rich coming from us, but should the bottom fall out of this pornography lark and we all end up joining you minions in the real world, here's a new career path we wouldn't mind pursuing. Anything that involves strapping up the hard bodied northern lass Nell McAndrew with her consent has got to provide more than the average levels of job satisfaction. But London's got more chance of landing the 2012 Olympics than we have of getting anywhere near Nell.

LOST IN TRANSLATION

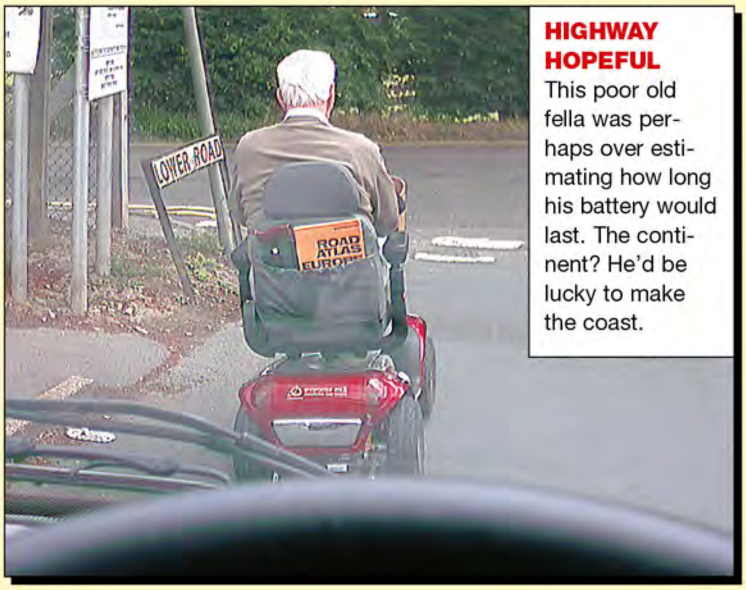
Since our mastery of overseas dialect barely exceeds GCSE French, the Japanese blurb on the boxes of these dildos may as well be a foreign language. What we're really struggling over though is the link between a sex toy for women and the images on the packaging. With a product of this nature you'd expect the box to be graced with scantily clad Adonis-type fellas – the stuff women's wildest fantasies are made of. Not for this bunch. Instead they get scrawny, miserable looking office workers to dream about as they cram several inches of plastic inside themselves. Still, it means we're in with a chance then.





IS THAT THE DIPSTICK?

It looks like this car was the only thing in need of a good service.



HIGHWAY HOPEFUL

This poor old fella was perhaps over estimating how long his battery would last. The continent? He'd be lucky to make the coast.
